~~Billed Entry Number: 12335~~

Dear Service Provider Contact:

You were recently sent a Commitment Adjustment Letter informing you of the need to recover funds for the Funding Request Number(s) (FRNs) listed on the Option Selection Worksheet attached to this letter. The Federal Communications Commission (FCC) by its Order FCC 00-350 (released October 26, 2000) has directed the Universal Service Administrative Company (USAC) to implement the funds recovery process from service providers who received erroneous funding amounts. Listed below are the options available to you to return the total 'Funds to be Recovered' amount as specified on the Commitment Adjustment Letters you have been provided.

You may choose one of three options:

1. Remit to USAC the stated 'Funds to be Recovered' amount, within 30 days of the date of this letter,
2. Offset the stated amount owed to USAC by foregoing disbursement on alternate valid funding commitments or pending funding requests for the same applicant for the same or alternate funding year, or
3. A combination of the above two methods. The sum must equal the required recovery amount.

- If you select the cash payment option (# 1), please make your check payable to: "USAC – Fund Recovery" and remit the full "Funds to be Recovered" amount.
- If you select the offset option (# 2), USAC will offset the first submitted invoices, regardless of the alternate FRNs to which they apply, against the USAC recovery amount. You will be notified that the invoices have been approved and the funds have been credited as an offset. Once the USAC recovery is satisfied, any additional invoices submitted will be processed as normal, subject to remaining availability of funds for each FRN.

• If you select the combination option (#3), please indicate the amount of cash payment and make your check payable to: "USAC – Fund Recovery." The difference between the dollar amount remitted and the total "Funds to be Recovered" amount due to USAC is the remaining amount to be recovered by foregoing disbursement on alternate FRNs after work is completed and invoices are submitted to USAC. The sum of both options must equal the required recovery amount.

If an offset methodology is selected either via Option 2 or 3 above, the following examples may help you understand how USAC will process submitted invoices to ensure accurate and timely recovery of funds. The offset methodology will apply to either Service Provider Invoice Forms (FCC Form 474) or Billed Entity Applicant Reimbursement (BEAR) Forms (FCC Form 472).

Example illustrates processing of invoices that exactly offset the recovery dollar amount:

Adjusted FRN and Recovery Dollar Amount		Alternate FRN and Available Dollar Amounts		Invoices Submitted SPIF or BEAR	USAC Applies to Recovery	USAC Pays
123	\$1,000	124	\$1,500	\$300	\$300	-0-
		125	\$ 800	\$400	\$400	-0-
		126	\$1,200	\$300	\$300	-0-
<hr/> Total \$1,000			\$3,500	\$1,000	\$1,000	

Example 2 illustrates how invoices can be processed once the FULL amount of the recovery has been obtained:

Adjusted FRN and Recovery Dollar Amount		Alternate FRN and Available Dollar Amounts		Invoices Submitted SPIF or BEAR	USAC Applies to Recovery	USAC Pays
123	\$1,000	124	\$1,500	\$600	\$600	-0-
		125	\$ 800	\$800	\$400	\$ 400
		126	\$1,200	\$1,200	\$0	\$1,200
<hr/> Total \$1,000			\$3,500	\$2,600	\$1,000	\$1,600

Please review the attachments **complete the Option Selection Worksheet, and return it within 30 days of the date of this letter.** An instruction sheet has been provided as well as a listing of alternate FRNs with valid or pending funding commitments available for offset.

If you have any questions, please call 1-888-203-8100, and ask for the Technical Client Service Bureau. These specially trained staff can assist you with this process.
